Patrick Lambrecht Joins Reverse Mortgage Funding as Retail Operations Leader

Lambrecht will lead key growth channels

Bloomfield, N.J. April 14, 2014—Reverse Mortgage Funding LLC announced today that it has hired Patrick Lambrecht as its Retail Operations Leader. He will lead all retail operations for the company, with particular focus on the HECM for Purchase and Private Label Channels, two key growth areas.

As he implements his strategy, Lambrecht will report to Michele Zachensky, MetLife veteran, who is an operations executive at Reverse Mortgage Funding.

“Patrick is a great talent and we’re happy he is joining us. I’m glad to have landed him on my team,” said Zachensky. “He brings with him 20 years in the mortgage industry, with particular expertise in retail, operations and sales. He knows retail operations very well and will be a tremendous asset to us.”

Prior to joining Reverse Mortgage Funding, Lambrecht was Vice President for Security 1 Lending. Before that, he was Director of MetLife Bank’s Retail Operations. Prior to that, he was the Assistant Vice President at World Alliance Financial Corporation.

“I’m looking forward to joining this dynamic team and helping add to the great body of work already accomplished,” said Lambrecht.

RMF is hiring immediately; if you are interested in employment opportunities, contact the company at careers@reversefunding.com.
