## **ABA Endorses Reverse Mortgage Funding's Home Equity Conversion Mortgage Products**

WASHINGTON – The American Bankers Association has endorsed, through its Corporation for American Banking subsidiary, Reverse Mortgage Funding LLC's reverse mortgage program including its full offering of FHA-insured Home Equity Conversion Mortgage (HECM) products.

“Bankers want a quality turnkey reverse mortgage solution offered by a company with unparalleled expertise and a strong reputation for supporting the needs of our industry,” said Ken Burgess chairman of ABA's Endorsed Solutions Banker Advisory Council. “This ABA endorsement showcases the strength of Reverse Mortgage Funding's offerings.” Burgess is also chairman, FirstCapital Bank of Texas, Midland, Texas.

Reverse Mortgage Funding is an independent provider of HECM products, offering flexible solutions, industry insights and responsive service to its partners. The company also provides valuable integration assistance for financial institutions offering its reverse mortgage products, including comprehensive training and support as well as marketing tools and other collateral materials.

“Since our founding in 2012, our team has worked hard to forge an innovative, best-in-class product offering that caters to the diverse needs of borrowers seeking retirement financing solutions. We're proud that these efforts have led to ABA's endorsement of our HECM products for their member banks,” said Craig Corn, CEO, Reverse Mortgage Funding.

“Our HECM products enable financial institutions to easily incorporate reverse mortgages into their offering. This ABA endorsement is testament to the high level of service and expertise our team offers throughout the entire process.” said Michael Mooney, national sales manager, Financial Institutions Group, Reverse Mortgage Funding.
